The mission of the San Marcos Art League is to encourage its members as well as the public to support and to nurture the arts in the community. The San Marcos Art League is a non-profit organization, the goal of which is to promote arts in the community. We meet regularly at various places in San Marcos, schedule demonstrations and lectures, workshops, presentations by gallerists and representatives of other non-profit organizations, with the goal to make knowledge of the arts open to the public, free of charge.

We regularly sponsor art shows for our members, some in partnership with other non-profit organizations, and some through local businesses. We encourage each other in our artistic endeavors, and hope to achieve a broader understanding of the arts in the community.
